CHAIR REPORT

GCANA CHAIR REPORT NOVEMBER 2025

Admin met 2 weeks ago to finalise the Fellowship Development workshop and discuss attracting nominations for service roles

The FD workshop was held last weekend at BCC. There were approximately 22 members attend. Numbers were a bit disappointing, but it was good to see a few from outside the GC Area. It did end up costing the Area, which I will own for ordering a bit much food. Hard to cater for an event where numbers can only be guessed. Mea culpa.

Overall, the response from attendees was positive, I will send the chair of FD a thank you email

The treasurer will give a financial report of the workshop

We are onboarding the new secretary today, so I would like to welcome them, and thank them for their commitment to service.

This is the final Area meeting for the year. 14 months ago, we had to face the prospect of the Area folding due to a lack of members filling the positions, and poor GSR attendance. A proposal to make the Area meeting more accessible by going virtual was not endorsed. Could we as an Area have done better by endorsing the proposal? I can't answer that, but I can say that as result of the strong attendance at Area meetings by a core group of committed GSRs and the Admin team Gold Coast Area remains healthy and functioning and I believe it will continue as such with various positions being filled today, supporting a healthy fellowship on the GC.

I would like to congratulate the new admin team as of Sundays Area meeting;

■■■■■ – chairperson, ■■■■■ - Vice chairperson - ■■■■■ – RCM, ■■■■■ –Treasurer, ■■■■■ – secretary.

Please give the new team the support given to the outgoing Admin.

Also, ■■■■■ was elected as Convention Chair for 2026, and ■■■■■ as elected Activities Chair.

CONGRATULATIONS

Thank you to each and every one of you for attending as many meetings as you were able.

Thank you for allowing me the privilege of serving GCANA,

YILS,

SECRETARY REPORT

Hello Gold Coast Area,

I am grateful to have stepped into the role as secretary and to be nominated by the gold coast area.

I met with the previous secretary and we had a thorough handover. I now have access to the GCANA email and microsoft platform, as well as the PO box keys.

I am looking forward to doing service at an area level again

Thank you,

RCM REPORT

November RCM closing report

I attended my final ARSC meeting in Melbourne,

A little bittersweet emotional rollercoaster, being at my final regional service meeting, as the RCM for the Gold Coast many service highs and lows have come from being in this position. Challenges that I faced was my lack of experience and understanding of the service concepts and learning when to stand for an opinion and when to stand for a spiritual principle. Over the past 2.5years I have grown within my recovery, the knowledge of others who have served alongside me has been invaluable so grateful to be guided by members who have done service before me, my own understanding of our traditions and concept has also grown immeasurably as well as learning more about our primary purpose of Narcotics anonymous. I am forever grateful for the opportunity to travel and be funded by the Gold Coast area which makes the commitment to service at this level available to us all,

Returning to Sydney for my first region meeting was terrifying since that was where I left to get clean, I wasn't sure if I was going to make it, with the help and support of some close people in my recovery I conquered my fears and stepped foot off the plane with a sense of new and improved reasons for me being there such a massive turn around in my life, I was there with a purpose and a service commitment and a higher power that kept me safe. Thank you to everyone that has been on this path with me and thankyou to the Gold Coast fellowship for having faith in my abilities,

My finances that were spent over the time I was in Melbourne was travel was\$101 my

food and beverage was \$143.95 accommodation was \$735.02 twin share my share was \$367.50 miscellaneous(coffees after meeting water and snacks) \$80 the remaining balance I will return to our area account it will be \$163.50 that I returned home which comes to a total of \$855. Thankyou again and good luck [REDACTED] in your new service role as the standing Alt RCM.

ALT RCM REPORT

ALT RCM REPORT

November 2025

ARSC was amazing the attendance was great most committee members were present and nearly all areas were represented apart from WA and South Sydney. Shout out to our neighbouring area Logan whom had 2 representatives attend.

I had a wonderful experience and was very heightened with lots of anxious energy being my first ARSC and the fact it was held in my old stomping grounds, I had a lot of memory recalls and had to remind myself to breathe and relax.

Here is a breakdown of the Saturday and the topics discussed.

Saturday Morning

[REDACTED] from the NA online safety committee is developing a presentation similar to the IT workshop to help members keep safety in online meetings.

There will be online marathon meetings held for xmas and New Years Eve

FSO price increase of 15% from 1st January books like Basic Text will go from \$20 up to \$22-\$22.50 pamphlets will increase a few cents too?

Mentoring Workshop - with 6 breakout group discussions - What attracted us to do service? and How do we others to do service?

Saturday Afternoon

Strategic Planning - we are in a new ARSC cycle and its a good opportunity to review Why are we here? what is our wish list? Top 5 actions? To be completed by March 2026 ARSC

Breakout groups - recurring need from 2021,23 & 25 to strengthen communications and flow between Region, Areas LSC's and groups? Q. How can we engage Areas/LSC's and GSR's in order to reach groups more effectively? CALD inclusivity what populations are being

unrepresented? On the Gold Coast my thoughts were around the indigenous community?

ARSC Discussions - Submissions for November 2026 host South Australia and Vic/Tas

Strategic Planning drop down for NA.org under members info we voted to add on another column to make room for future add ons

Digital strategies - to go Meta (FB Insta) launch ad campaign to reach more addicts, by setting up a NA Australia business suite. There was a big discussion on setting up a google account whom which have grants for non for profit organisations to the value of \$10,000 with a free adds.

This discussion will be continued and if members like they can join either of these sub committees, META social media subcommittee next meeting on 14th Jan at 7pm Sydney time
Public relations subcommittee next meeting will be held on 20th Jan 7pm Sydney time

Saturday came to an end hat's it for now.

AREA POSITIONS VACANT		
Policy Chair	Clean time: 3 Years	Term: 1 Year
<p>The GCASC Policy Chair advises the GCASC about policy issues during the course of the area meeting and often clarifies guidelines - therefore is required to have a reasonable knowledge of the manual. They coordinate the drafting of new policy for consideration by the GCASC and maintains and updates these Guidelines, including the policy log.</p>		
PR Chair	Clean Time: 3 Years	Term: 1 Year

AREA POSITIONS VACANT

From *A Guide to Local Services*: ‘The general mission of your public relations subcommittee is to inform addicts and others in the community of the availability of recovery in Narcotics Anonymous. Service provided by the PR subcommittee vary widely from area to area. The simplest kind of PR project is the production and distribution of fliers throughout the community announcing that NA is available and that more information can be had either by calling the local NA information phonenumber or by attending an NA meeting. As PR subcommittees become better developed, they often conduct public meetings for community members, distribute public service announcements to local radio and television stations, and respond to public media inquiries. Some PR subcommittees develop separate working groups called CPC panels (short for cooperation with the professional community) to focus especially on the NA community’s relations with local treatment professionals. The Public Relations Handbook, is available from the FSO or by writing the World Service Office, provides detailed information on conducting a wide range of projects designed to increase community awareness of narcotics Anonymous.’ The GCASC PR chair is also responsible for the production of the GCASC meetings list and the GCASC contacts for the National NA 1300 number. The National NA 1300 number is to be included on GCASC meetings lists. Any changes required in the meeting list (at a group level) should be given to the PR chair for updating. The PR chair -should also forward any changes onto the RCM so they can update the website.

Activities Chair	Clean Time: 2 Years	Term: 1 Year
------------------	---------------------	--------------

From ***A Guide to Local Services***: ‘Dances, picnics, campouts, special speaker meetings – these events are put on by area activities subcommittees. Activities like these can provide a greater sense of community for the local NA Fellowship and produce additional area income. It should always be kept in mind, however, that these functions are designed to enhance NA’s primary purpose, not to replace group contributions in funding area services.’

The activities subcommittee is responsible for being:

- Christmas Day Event
- New Years Eve Event

Additionally, Unity Days, BBQ’s, cabaret nights, talent quests (red faces), trivia nights, surf competitions, sporting events, , bowling nights, dances and other unity building events are possibilities to incorporate into the yearly calendar of events that can be managed by this committee at their discretion or if directed by the fellowship. The Activities Subcommittee may also be requested to support workshops by providing catering and other activities as requested. Responsible management of NA funds is vitally important in this role and reports including itemized and receipted financial transactions are to be supplied for each event. It is understood that these unity building events are not mandated to raise funds, however it is agreed that an attempt to breakeven financially is met as per our 11th Concept.

The Activities Subcommittee Chair is required to familiarize themselves with the GCASC Banking Guidelines and their role within.

Convention Chair	Clean Time: 3 Years	Term: 1 Year
------------------	---------------------	--------------

The outgoing vice chair is endorsed at the closing meeting of the previous convention committee and then is endorsed at the January GCASC. The GCASC Convention chair is required to familiarise themselves with the GCASC Convention Guidelines and support the convention subcommittee to follow these guidelines as closely as possible. The chairperson is then responsible for contacting, advertising and announcing to as many people as possible to attend the first meeting for sub-committee elections and guides activities to keep within the principals

AREA POSITIONS VACANT

of the Twelve traditions and the Twelve Concepts of service and in accordance with the purpose of the convention. The convention chair then works with the elected convention committee to organize the Gold Coast Area convention by coordinating and chairing regular committee meetings. The convention committee chair is required to provide a monthly report to the ASC by either the Chair or Treasurer and provide copies of that committee's minute to the ASC Secretary.

'The purpose of the Gold Coast Area Convention is to celebrate spiritual recovery, encourage unity and generate funds to support area activities.

' Section 3 of the GCASC Convention Guidelines is to be read as part of job description.

Each Convention Sub-Committee Chairperson is to attend all GCASC Convention Committee meetings. If they are unable to attend, an apology and their written reports are to be submitted to the Convention Secretary or alternatively another member of the GCASC Convention Committee prior to the meeting.

The GCASC Subcommittee Report Template is to be to be completed and submitted at each GCASC meeting
